About the Golden Rescue Fund

The Golden Rescue Fund (GRF) was established in 1988 to address a need identified by the Golden Police Department and the faith community.

The mission of the GRF is to provide assistance to community members or travelers finding themselves in a position of having short-term emergency needs.

The GRF is a coordinated, community-wide effort that reduces duplication of response. It is administered through the Golden Police Department and Calvary Episcopal Church in Golden.

Financial and other support for the GRF, such as food donations, comes from a variety of sources, including local churches, community groups, service clubs and individuals. This widespread involvement helps the community to leverage its available resources in an efficient and effective manner.

How the GRF works...

An individual, couple or family is able to access the GRF once every six months if they are Golden area residents. Those outside of the 80401 and 80403 zip codes may access the GRF on a one time only basis. The Golden Police Department and Calvary Episcopal Church maintain databases to track use.

How people access the GRF...

Those in need obtain a referral slip from any of the local churches, the Golden Christian Action Guild or the Jeffco Sheriff's Department. The referral is then taken to the Golden Police Department to obtain the following resources:

Food

One or more \$10 Safeway gift cards are provided based on the number of people in the household. The Golden Police Department provides travel bags of food to those without cooking facilities.

Larger quantities of non-perishable food can be obtained from the Calvary Food Shelf. Golden residents needing long-term assistance with food can access this resource on a monthly basis.

Gas

One King Soopers gift card in the amount of \$25 is provided per vehicle. A valid driver's license must be shown to obtain a card for gas.

Bus Passes

RTD bus passes are provided, The amount given is based on the number of people referred and the specific travel need.

Lodging

Emergency lodging for females, couples and families is available on a case by case basis, usually by a referral from the Golden Police Department. Single males are referred to area shelters. Other requests will be considered if funds are available.

Prescriptions

Assistance up to \$75 is provided for those needing help with a prescription. Those qualifying receive a voucher, which can then be used at the local Safeway or King Soopers pharmacy.
